

Consumer Justification Narrative

BlueCross BlueShield of South Carolina Rate Change (effective 1/1/2023) for Business BlueEssentials Small Group Health Plans

Scope and range of the rate increase:

Depending on the plan selected, approximately 32,050 members currently enrolled in a Business BlueEssentials Small Group health plan will see an adjustment to premiums effective at renewal beginning January 1st, 2023.

Financial experience of the product:

During 2021, premiums received have likely been sufficient to cover claims paid, administrative costs, commissions, taxes, and fees. The rate adjustment effective January 1, 2023 is intended to cover future changes in medical costs. If, in 2023, paid claims are significantly less than anticipated, rebates will be paid to Business BlueEssentials members.

Changes in medical service costs:

BlueCross BlueShield of South Carolina will likely pay more claims in 2023 for the following reasons:

- Hospitals and doctors charging more for services.
- More individuals seeking treatment.
- Higher drug costs.
- Future uncertainty in the insurance industry due to COVID-19.

Changes in benefits:

Changes to deductibles, copayments, and out-of-pocket maximums to some Business BlueEssentials plans were implemented to limit the amount of the necessary rate change without sacrificing coverage.

Administrative costs and anticipated margins:

Administrative costs were set based on internal corporate estimates of normal operating costs. Federally required fees also apply.

BlueCross BlueShield of South Carolina is working hard to find ways to lower these costs through intense review of current practices.
